

DAVID L HYMES

SCULPTOR
FURNITURE DESIGNER
MAKER

ARTIST STATEMENT

My design approach is intuitive and collaborative with the emphasis on balancing aesthetic form and functional quality.

I specialize in unique custom woodworking - creating functional sculptures, furniture, cabinetry and one-of-a-kind pieces. Elegant solutions are crafted to meet client's needs, blending artistic intuition with a lyrical sensitivity for materials.

My clients are intimately involved in designing their pieces, resulting in creations that reflect and enhance their personal space and aesthetics.
